Udaan - Convocation 2025 Highlights

The convocation ceremony 'Udaan' for of 2023–25 batch at MIMA Institute of Management, Balewadi, held on 19th July 2025, was a proud and memorable moment for students, parents and faculty. The event marked celebration of academic accomplishments, dedication, and perseverance demonstrated by the graduating batch.

This year, we were honored to have two esteemed guests both being the first generation entreprenuers running successful enterprises, Dr. Kailash Katkar, Founder & Managing Director, Quick Heal Technologies Ltd., Pune, and Mr. Dinesh Adiga, Director, Plustech Systems (P) Ltd., Pune. Their presence and insightful words left a lasting impression on the graduating students, inspiring them as they embark on their professional journeys. The event reflected the values of excellence, leadership, and innovation that MIMA Institute of Management instills in its students.

As part of a major rural development initiative, three rejuvenated percolation tanks in village Bavada, Taluka Khandala were officially handed over to villagers in a public ceremony.

This initiative was made possible by Vanrai Foundation with financial support from Ujjivan Small Finance bank and NABFOUNDATION under CSR.

The rejuvenation of all three percolation tanks is expected to enhance water availability for agriculture and livestock. benefiting the surrounding farming population.

Tehsildar Shri. Ajit Patil, along with various dignitaries and local representatives, emphasized the importance of collective responsibility in transforming villages into model communities.

The event witnessed participation from key stakeholders, including members of the district council, agriculture officers, and representatives from youth organizations.

This sustainable water conservation marks a vital step towards achieving long-term environmental and economic resilience for the region's rural communities.

Dr. Pradeep Bavadekar, Prof. Satyajit Kulkarni and Mr. Sahil Pawar from YouthBuild Foundation coordinated entire efforts.
